- 13 x Chauvet Eve P 160 RGBW
- 3 x Phillips Selecon PLprofile1
- A small selection of LED fixtures

Sound & AV:

- Yamaha QL1 Sound Desk
- Martin SX Series Speakers

Other Information:

Storage:

There is a small storage room to the side of the studio.

Load in / Parking:

Load in is either via stairs or small passenger lift. Dimensions and SWL TBC.

Our load in is neither easy nor convenient. If you're bringing in more than some furniture and a few stands please contact us in advance to discuss.

There is limited parking on Borough Road. Charges apply 8.30pm – 6.00pm Monday to Friday.

There is no on-site parking. Please check your arrangements before arrival. There are some local pay and display car-parks, but free parking is very limited in the area.

Load in is either from Borough Road or from a gated service road. If you are bringing a van please contact us and provide make/model, registration number and driver name. There is no parking so the van will need to be moved following load in.
